

AN ANNOUNCEMENT!

Acquiescing to requests made by our Patrons and Friends U Nu of Burma Group has decided to keep on floating the PEOPLEWINTHROUGH website and upgrade it from U Nu CENTENNIAL to U Nu MEMORIAL.

A variety of new features were added for the interest of historical truth and many relevant documents and articles written during the pertinent period endeavoring to regain freedom and independence from the British yoke as well as from the Imperialist Japanese Co-Prosperity slurs.

We also have added post-independence democratization period's whirlwind of events both in documental presentation as well as in pictorial.

For any uneventful presentation we may have presented kindly contact us through the following emails:

u_nu_of_burma@yahoo.com and peoplewinthrough@yahoo.com

for advice, for pointing out typos and other errors concerning facts or figures; and, to those who had already assisted us in improving our presentation as well as correcting errors we simply appreciate them and just want to express our appreciation that we owed debts of gratitude to them all.

We would welcome and appreciate any kind assistance in providing us with idea advice, documents, and photographs that would enhance PEOPLEWINTHROUGH website. Thank you all.
